MEDIA RELEASE

4 June 2021

#SEACHanger Awards {2020} finalists announced

For immediate release

SEA is excited to announce the finalists for the #SEACHanger Awards {2020} - to be held at #SEAMember Melbourne Cricket Ground (MCG) on 17 June (pending Victorian gathering restrictions).

While all submissions were not only truly inspiring but also planet-changing, our judges Ciaran McCormack (Manager, The Climate Reality Project - Australia & the Pacific), Layne Beachley (seven-time World Champion Surfer & Chair, Surfing Australia) and Damon Gameau (Producer, That Sugar Film & 2040) have chosen three front-runners in the #SEAMember category and two in the non-member category.

Congratulations to Australian Grand Prix Corporation, Motorsport Australia, and Victoria Racing Club for being a finalist in the #SEAMember category and Oaks Cypress Lakes Resort, Golf & Country Club and SPORTENG (on behalf of Waverley Netball Centre) who head up the non-member category.

Find out first-hand who gets to take this year's coveted trophy to their pool room, by tuning into our ceremony live stream (more to be announced soon) or on social media via Facebook, LinkedIn, Instagram and Twitter.

SEA also wants to take this opportunity to thank all entrants for the time and effort that was invested into each and every application and looks forward to all the award-winning entries for the 2021 #SEACHangers Awards, to be held later this year.

- ENDS-
